

## INE Circular – Adjustment of Margin Requirement of Certain Crude Oil Futures Contracts

Dear Valued Customers:

The adjustment of margin requirement of the following crude oil futures contracts will come into effect from August 2, 2018 (i.e. the continuous trading on the night of August 2, 2018):

The margin requirement of SC1901 will be adjusted from 7.7% to 6.60%.

The margin requirement of SC1902 will be adjusted from 7.7% to 6.05%.

When the Open Positions of the above mentioned contracts reach 30,000 lots (both long and short positions), the margin requirement shall revert to 7.7%.

In the event of any inconsistency between the above mentioned margin requirement and the existing one, the highest margin requirement shall prevail.
