

## **Notice on Trading apps does not support negative price trading**

Dear customers,

According to the large fluctuations in crude oil futures recently, our mobile trading apps does not support that negative price trading. Therefore, please use the desktop vision for trading or call +852 22939700 for manual trading.

Finally, please do control risks carefully according to your own financial situation, thank you!

All the best

Yuanta Futures (Hong Kong) Co., Ltd
