

Circular on Trading Arrangement of Energy Futures & Options

Dear Valued Customers:

In response to the recent fluctuations in the prices of Energy Futures and Options, to pursue the good practice of Risk Management, the June 2020 Energy Contracts (including Light Sweet Crude Oil & E-mini Crude Oil and related options) will be forbidden to open new positions on May 11 (Hong Kong time). Open interest must be squared off one hour before the Termination of Trading. (4:00 a.m. on May 12 Hong Kong time).

If it is not processed within the time limit, we reserve the right to perform forced liquidation of the relevant positions. Due to the recent volatility of the crude oil market, please be aware of the risk of your account in a timely manner.

Should you have any questions, please feel free to contact your Account Manager.

Thank you!
